

Welcome to Sunnyside

Our front door

Here are our members of staff

Victoria Duly
Manager

Lauren Wheeler
Deputy Manager

Fern Elliott
Pre School
Assistant

Suzie Eke
Pre School
Assistant
(Maternity Leave)

Jenny Hill
Pre School
Assistant

Dani Falcke
Pre School
Assistant
Maternity Cover

The cloakroom

After we say goodbye to our grown ups we hang our bags up in the cloak room. These bags have our spare clothes in.

Next we put our water bottle in the tray and we hang up our coats and put our bags with our wellies and waterproofs in the basket.

It is useful if waterproofs and wellies are in a sturdy carrier bag like these.

We enter preschool and start to have fun!

We can
play in the role play area.

Make things with

playdough

Glue and
paint

Play with the small world toys.

Read a book in the book corner.

Explore things in the tuff tray and messy play.

We can have a snack from 10 o'clock to 11 o'clock.

We wash our hands,
put our name on the
board and get our
drink.

We can choose what we
would like to eat.
Everyday there are
crackers, bread sticks,
fruit and milk. Sometimes
we get an extra treat!

Then we wash our
plate and tidy
away.

We can play outside

We have an ice cream shop and sandpit on the decking.

We can read in the wendy house, do craft activities at the table

We make cakes in the mud kitchen, play tunes on the chime bars and whizz down the slide.

The toilets

We have steps to help you reach the toilets.

The sinks, where we wash our hands and use towels to dry them.

At home time, after story, we sit on our chairs and wait for our grown ups.
